

MONDAY, MAY 11 | NATIONAL CHALLENGES

OFFSHORE ROOFTOP

MR BLACK

BEYOND THE ESPRESSO MARTINI

Coffee cocktails—led by modern classics like the espresso martini—have become a defining force in today’s cocktail culture. This challenge is about what comes next.

Using Mr Black, competitors are building the next wave of coffee cocktails—drinks that feel current now, but built to last. Originality matters. Balance matters. And it needs to work in a real bar and beverage program.
